Retreat Leader Application

Fiat Retreat - High School Ministry – February 15 – 16, 2019

Our retreat ministry for youth is growing and we need high school leaders to assist us in drawing other high school teens to Christ! Are you up for this challenge? Retreat Leaders are teens who are striving to be their best self, working daily on a strong relationship with Christ and are willing to share themselves with other teenagers by working directly with the youth minister and the retreat leaders to organize, plan and lead the St. Agnes Fiat High School retreat.

Retreat leadership will require a commitment to the majority, if not all, of planning meetings, a willingness to be at service, and a bold faith witness while carrying out your role on the retreat team. We will begin to plan the retreat the third week of January. We will continue the planning and formation through weekly meetings until the week of February 11th where we may meet more to be best prepared for the retreat weekend.

Please prayerfully consider your desire to share your faith with other high school teens.

The completed application is due hard copy by January 9, 2019 to Martha Poulat or Fr. Andrew. Our first meeting will be Monday, January 14th. We are excited to serve alongside you on our next St. Agnes high school retreat! Please let us know if you have any questions!

May you be filled with peace!!
